<b>Day 12</b>	Our last chance for a paddle the technical Upper Seti offers a short blast of steep grade 4, read and run. For those who want to sit it out.	30 minutes from Pokhara fly home that afternoon	Hotel in Kathmandu

## Accommodation

### Hotels

Whilst staying in Pokhara and Kathmandu. We have acquired some luxury hotels for you to relax in. Have a hot shower and enjoy the town comforts after being on the river.

**River Side Beach Camping**

While on the river. We will be camping out under tarps on sandy beaches. Our gear will be packed on the rafts. This is a true multiway adventure. Taking only what we need! A sleeping bag and thermarest will be your home. After a good days paddling.

**River Side Resort**

When in transit from one river to the next. We will be camping on the beach at our River Side resort. A balance between camping with the luxury of a hot shower and cold beers. A tranquil place to relax in a hammock over looking the Trisuli river.
